My Dear Mr. Wood:-

Your valued letter of August 4th received and note the three New York collectors of United States paper money. I appreciate very much your kindness in sending me these names. I thought perhaps there might be a few other collectors of paper money who were members of your Society. If you should think of any others will appreciate your advising me.

I am mailing to your address under separate cover by insured parcel post a Lincoln etching mounted on a mahogany block which is suitable for your desk. Please accept it with my compliments.

Yours very truly,

*Albert G. Grinnell*
